

The Culverden Health Plan

Welcome to the Culverden Health Plan.

Thank you for trusting us to look after your pet.

We've designed our health plan to make it **easier for you to give your pet the best preventative care**, and so the best quality of life. It spreads the cost of essential routine treatments and saves you money on the things you know your pet needs every year – vaccinations, health checks and effective parasite control.

We understand that animals are different and so **our health plan gives you a choice of parasite treatments to suit their lifestyle**. We send you helpful reminders, give you nurse clinics and generous discounts on neutering, dental care, food and other services.

Our health plan really is the easiest way to keep your pets healthy and happy all year round.

All our cat plans include the following benefits:

- Vaccination and annual health check
- Second visit to the vet each year
- Modern, effective flea and worm control
- Effective tick protection
- Nurse clinics for nail clipping and weight checks
- 20% discount on our life stage and prescription diets
- 10% discount on neutering, dental work, additional parasite control, accessories
- Full kitten vaccination course
- Microchip (if required)

Choose the parasite control to suit your pet:

Standard (Town & Garden)

Our plan for cats happy to be treated monthly.

Flea, tick and worm protection.

Monthly spot-on treatment and twice yearly worming.

£17.23 per month

Feline Friendly

Our plan for cats who prefer longer lasting, less frequent

Flea, tick & worm protection.

Quarterly spot-on treatment and twice yearly worming.

£21.42 per month

Prices are per pet, per month and correct at time of printing – May 2024.

PLEASE NOTE: The discount is available to clients for the stated procedures undertaken exclusively at our practice, and at no other clinics. Private cremations, out-of-hours consultations & referrals are not eligible for discount.

Animals are registered by completing the attached form and returning to reception. Registering triggers a monthly direct debit, including a one-off £10 joining fee. The plan is administered by Animal Healthcare Ltd (Premier Vet Alliance) and will show on your bank statement with a reference number and animal name.
